We, the Junior Class of 1958 of Pennell Institute, are about to launch one of the most important memorabilia of our high-school years, the yearbook. In order to have a well-planned, successful yearbook, many things must be included in it. One of these is a well organized theme, a theme that symbolizes our lives in the past, present and future. We have chosen "Doorways" as our theme for we feel that we all pass through specific phases, or doorways, in our lives. At birth we pass through our first doorway, the journey into life. Later on in our lives we step through one of our most important doorways, the doorway to Pennell. Here we dwell among our friends, our teachers, and the pleasures and enjoyments high-school has to offer. Here we learn many things in our preparation for our third and final doorway in this part of our lives, the doorway to maturity and adulthood. We will never forget the memories and the learning which we have derived from passing through the doorways of Pennell.

FOREWORD

DOORWAY TO KEENER MINDS

DEDICATION

Mrs. Elbert C. Sawyer

With deep gratitude and appreciation the class of 1958 dedicates this edition of Pennell's annual Whirlpool to Mrs. Elbert C. Sawyer, who has been a member of the Pennell faculty during the past four years.

Mrs. Sawyer is our class advisor who has given us faithful guidance throughout this year. She also was our seventh grade teacher in 1952.

Mrs. Sawyer has always taken a great deal of personal interest in our athletic program. She has devoted her time for our Girl's Swimming Meets; in 1953 and 1954, she took care of Girl's Basketball training; and 1955, she was in charge of the Girl's Physical Education Course.

With all our deepest gratitude we extend to Mrs. Sawyer our highest respect and appreciation.

CROSS COUNTRY TEAM

This years cross-country team was greatly improved over last years team. Under the leadership of Mr. Knowles and Mr. Tobin we won three of our eight meets. At the Triple C meet this year we placed third. In the Southwestern Maine meet we placed fourteenth. This year we feel we have taken a step toward the standards of the old cross-country teams at Pennell. We hope that next years team will be even more successful.

The schedule of the meets this year was as follows:

	Sept.	24	PI vs	Gorham & Greely
*	Oct.	1	PI vs	Porter
	Oct.	8	PI vs	Cape & Porter
*	Oct.	11	PI vs	Maine State School for Boys
*	Oct.	15	PI vs	Falmouth
	Oct.	16	PI vs	Maine State School for Boys
	Oct.	19	PI vs	Gorham
	Oct.	23	PI vs	Triple C meet at Gorham.

PENNELL'S 1956 SWIMMING TEAM

A team of nine swimmers, with Mr. Blanchard as coach, represented Pennell Institute at the Annual Triple C. swimming meet at the Portland Boy's Club this year. The team as a whole didn't make out very well, but David Conley qualified for the finals in two events, the one hundred yard free style and the fifty yard breststroke. That night during the finals David won the one hundred yard free style, although he didn't win in the fifty yeard breaststroke. He still was one of the fastest swimmers in the Triple C in that event.

VARSITY SQUAD

FIRST ROW: R. Blake, D. McKeen, D. Conley, W. Liberty, B. Ducy, S. Wilbur, G. Durgin. SECOND ROW: Manager--W. White, P. Morrison, J. Martin, T. Wilkinson, R. King--Manager and Coach Kermit C. Knowles.

The Varsity Squad started out the 1956-57 basketball season with Pennell's fifth consecutive coach in five straight years. The new coach is Kermit C. Knowles, graduate of Bingham High School and Bowling Green University, Ohio. Because of his careful teachings and strenuous workouts Pennell's Varsity has come a long way this year. They have high hopes for the upcoming games and especially for the tournament in which they had a won one and lost one record last season.

The Varsity's schedule so far this year reads:

Nov. 28	Pennell 84	New Gloucester 49
Nov. 30	Pennell 45	Standish 60
Dec. 4	Pennell 78	Leavitt Institute 30
Dec. 7	Pennell 43	Porter 63
Dec. 11	Pennell 51	Falmouth 53
Dec. 14	Pennell 70	Greely 69
Dec. 18	Pennell 58	No. Yar. Acd. 62
Dec. 21	Pennell 74	Buxton 61

Most of the Varsity's losses were very close. Eleven remaining games are scheduled for the rest of the season.

JR. VARSITY SQUAD

FIRST ROW: P. Whitney, F. Davis, S. Conley, C. Humphrey, R. Blake, H. Rand, G. Durgin. M. Beal, N. Hansen.
SECOND ROW: Manager W. White, T. McKeen, R. Morse, R. Curtis, O. Nichols, Manager R. King, Coach Kermit Knowles.

Under Coach Kermit Knowles, the Jr. Varsity squad has made out very well in its first seven games, winning five and losing only two. The games they lost were to Standish and Greely, which were lost by very narrow margins.

This years Jr. Varsity squad consists of mostly Sophomores and Freshman, which gives Pennell an excellent outlook for future years.

The Jr. Varsity schedule so far this year reads:

Nov. 28	Pennell 61	New Gloucester 14
Nov. 30	Pennell 41	Standish 44
Dec. 4	Pennell 46	Leavitt 38
Dec. 7	Pennell 48	Porter 30

VARSITY AND JUNIOR VARSITY CHEERLEADERS

JUNIOR VARSITY SQUAD: Sheila Loring, Gloria Mongeau, Meredith Kenny, Betty Verrill, Arline Kelly, JoAnn Robichaud.

Much of the credit this year for enthusiastic support of our basketball team must go to the untiring efforts of both the varsity and junior varsity cheerleading squads under Mrs. Winton's direction. Both squads enthusiastically took the floor this year with new uniforms; the junior varsity having inherited the last years varsity garb. In addition to their rallying support for the team on Tuesday and Friday evenings they also play an important role in producing our successful pep rallies this year. The varsity squad regretted the loss of their captain Connie Libby for reasons of illness, but we are fortunate in having her sister Jean, who is not pictured, with the squad. At this writing the girls are looking forward to the "Invitational Cheerleaders Tournament" to be held at Pennell under the auspices of the Business Education Club.

Girl's team in action

GIRLS' BASKETBALL

This year, after having been dropped for the past season, girls' basketball was revived here at Pennell. The girls participating are very grateful indeed for the opportunity to play basketball once more and for the excellent experience they are gaining in many ways.

They fell very fortunate to have had such a wonderful coach and friend this year, Mrs. LaVallee.

Although they have not succeeded in winning any games, they have steadily improved with each game and nope that next year, having gained experience this year, the scores will all be reversed.

In December they elected AliceCaswell as their captain and Elizabeth Pettis as their manager.

The first team includes: Forwards; S. Mongeau, A. Caswell, B. Cole, N. Burnell. Guards; J. Chipman, R. Doughty, P. Davis, D. Stevens, S. Babb.

The members of the girls' team are, KNEELING: manager B. Witham, S. Wilkinson, R. Doughty, C. Eaton, J. Chipman, A. Caswell, N. Burnell, S. Mongeau, P. Whiten, S. Loring, manager E. Pettis. TRACK

In recent years Pennell has not participated in track and field competition events. Pennell's former teams were among the top powers in the Triple C. competition.

Last year under the fine supervision of Coach Blane Trafton and James Tobin interest was again revived in this highly competitive sport.

Our first meet with a strong Casco team was closely lost because of lack of practice.

Pennell's field day showed some fine qualities in many of the boys. All running events were won by Donald McKeen and the weight events were taken by Morris Beal and Charles Humphry.

Although we failed to take any of the positions in the Tri. C. meet at Cape, we hope to once again become a threat to the top, under the excellent coaching of Kermit Knowles.

BASEBALL

Last year's baseball team under coach Blaine Trafton, experienced a building year. With the exception of senior Marvin Kenney the team was composed of mostly Juniors and Sophomores. Due to that, Pennell's outlook for future years is excellent. Our captains who were elected at the end of last season for the "57" season are David Conley and Donald McKeen. Mr. Knowles, our Athletic Director who played baseball for Bowling Green University, will coach the team.

The scores read:

Greely	13	Pennell	2

Buxton	3	Pennell	6
Windham	3	Pennell	2

HANCOCK

This year Hancock Jr. high basketball team under Coach Knowles finished up the season with a near perfect record of league games. Their only losses were two games to Porter. They finished second in the inland division of the Triple C. The three top scorers were Gerry Swett with 129 points, Harry Lawler with 88 points, and John Wallace with 42. There are some excellent prospects for next season in the sixth and seventh grades.

HANCOCK CHEERLEADERS are: S. Kimball, C. Swett, C. Babb, B. Smith, M. Verrill, S. Preble.

JR. HIGH BASKETBALL TEAM is: KNEELING: E. Austin, S. Liberty, R. Rand, J. Wallace, H. Lawler, P. Doughty, G. Sweet, T. MacDonald, G. Jones. STANDING: Coach Knowles, G. Ducy, W. Abbott, W. Burnell, J. Rowe, R. Doughty, D. Whitney, F. Whitney, R. Skillings, R. Hamblet.

CHEERLEADING TOURNAMENT

This year because we felt that the cheerleaders put in so many hours of practice and received so little recognition we decided to hold a Cheerleading Tournament.

Out of the ten schools that were invited only seven were able to attend, but it was evident that all seven schools had worked very hard hoping to take home the first prize trophy.

The judges, from Edward Little High School, had a difficult job to pick the winners because all the schools did so well, but they finally gave their decision and the first place trophy went to Pennell.

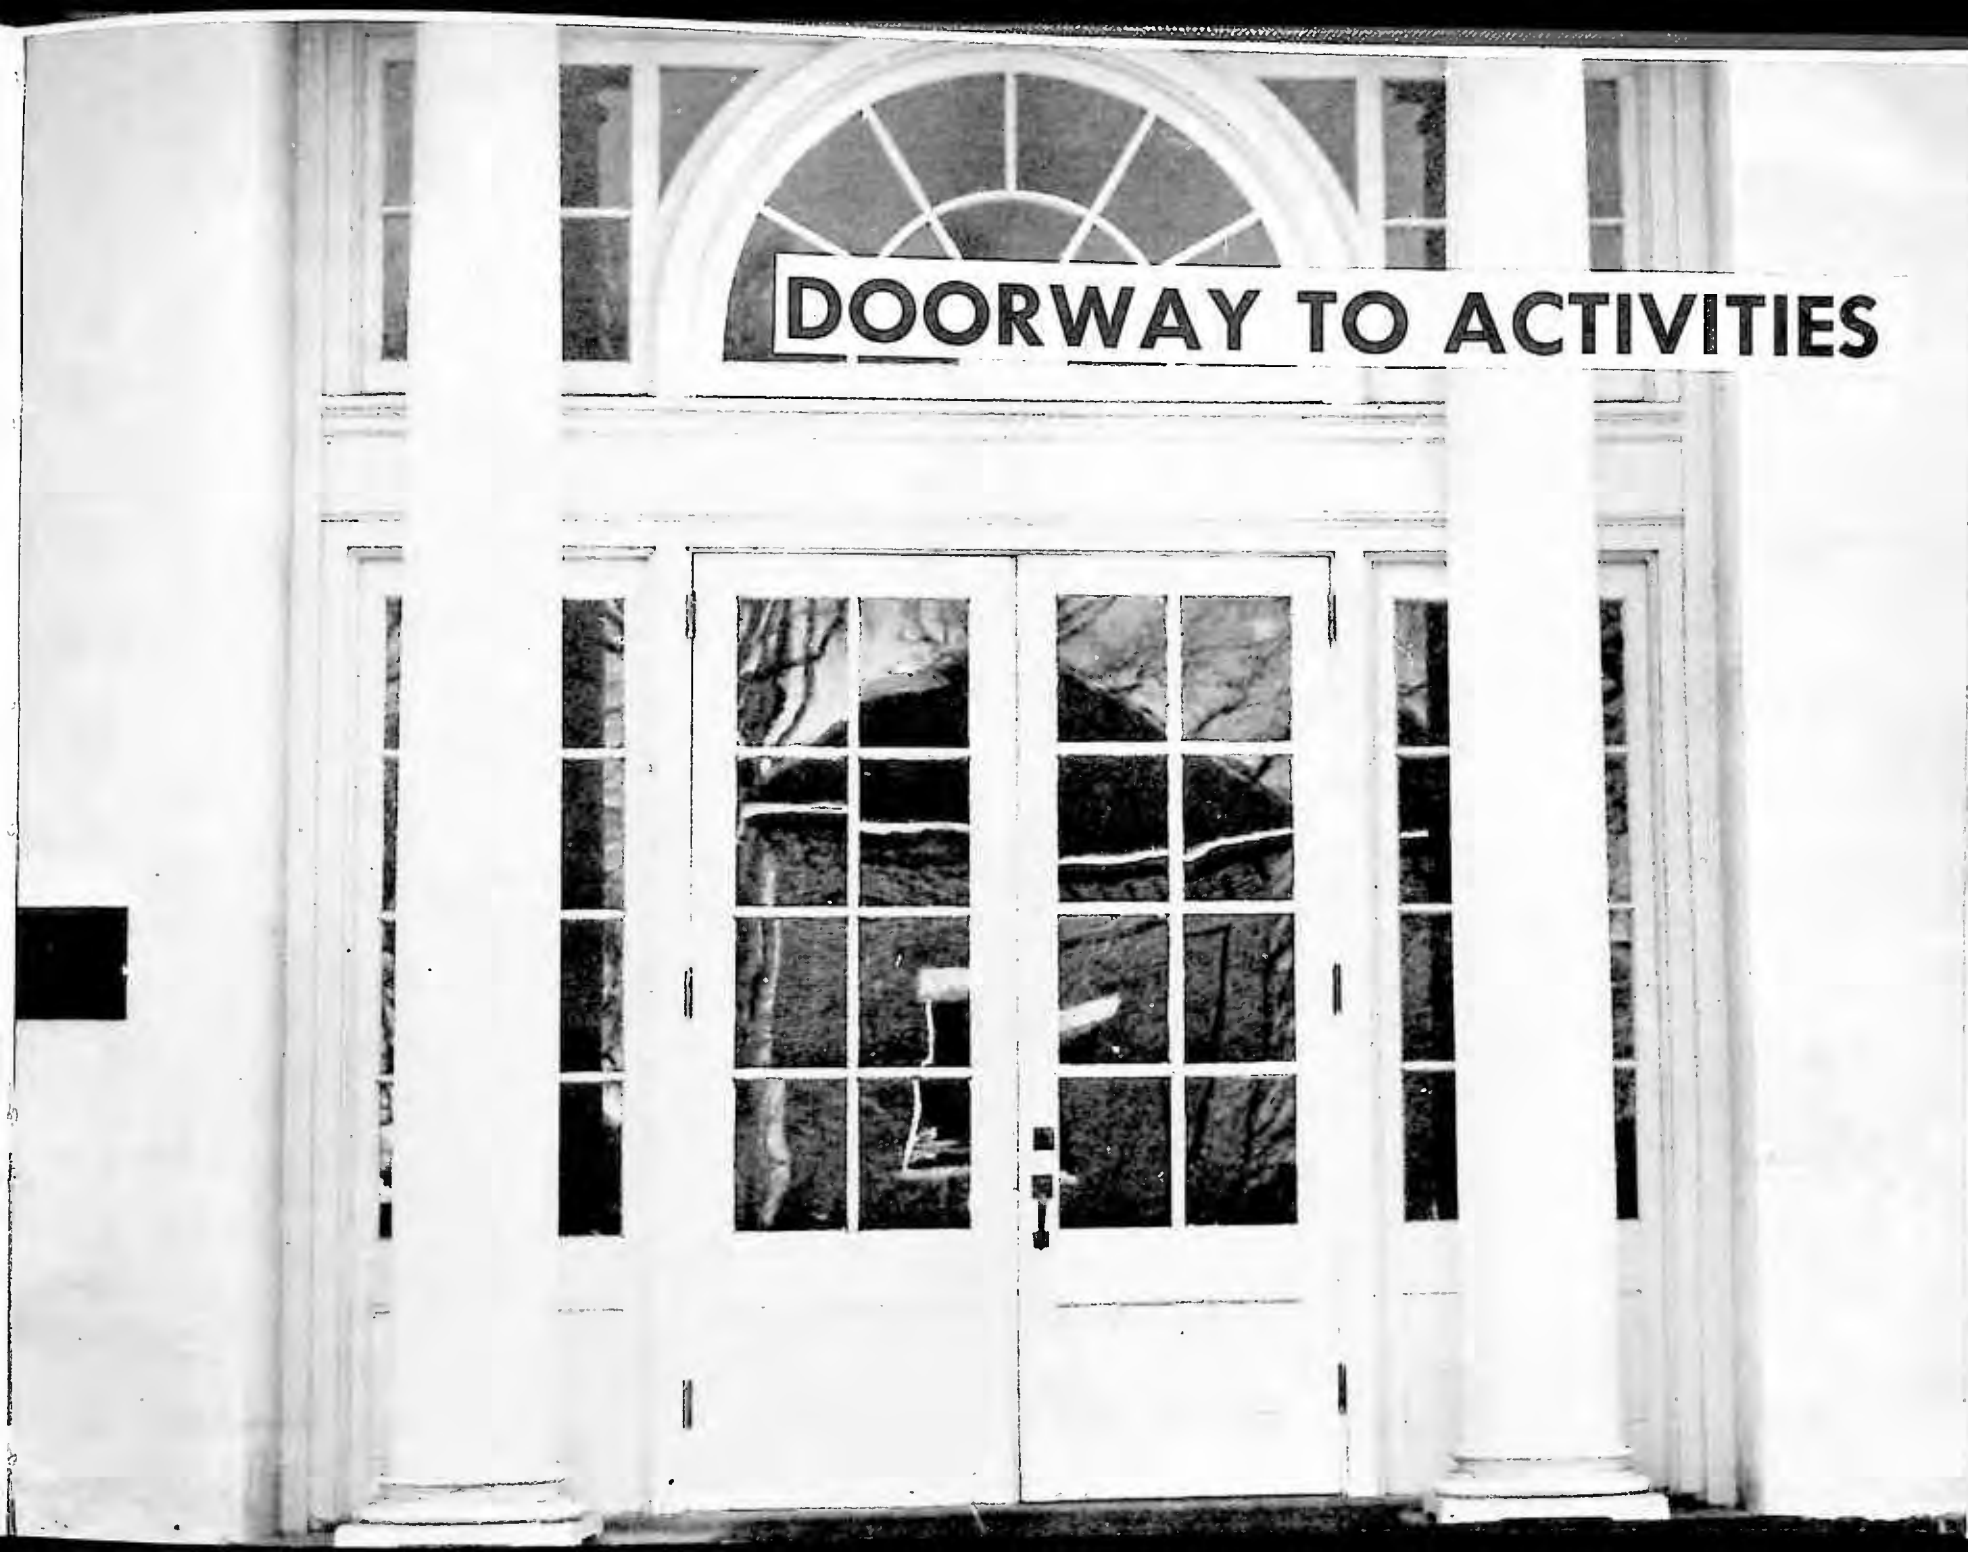

We hope to continue these tournaments in the future. They are not only a benefit financially, but they also help to bring the cheerleaders from the competing schools more closely together.

DOORWAY TO ACTIVITIES

The STUDENT COUNCIL OFFICERS ARE, SEATED: Sec. Delanne Abbott, Pres. Tom Neal, Vice-Pres. Charles Caswell. STANDING: Treas. Richard Bibber.

This school year of 56-57 has been a year of great progress in the Student Council. For the first time this year the officers of the Student Council were elected by the student body, followed by a very impressive installation ceremony.

Those elected were as follows:

President . . . . . Tom Neal
Vice-President . . . . . Charles Caswell
Secretary . . . . . Delanne Abbott
Treasurer . . . . . Richard Bibber
Installing Officer . . . . . Paul Morrison

It is the hope of the principal and the members of the Student Council that this installation ceremony will become a tradition.

The greatest project undertaken was our support in the obtaining of the Public Address System.

One of the added responsibilities the Student Council has is the weekly assembly.

The members of the Student Council also attended the State convention held at Bangor, Maine.

As a result of the increased interest in the Student Council this year we feel there has developed a greater unity between the faculty and the student body at Pennell Institute.

Our Pennell chapter has been organized for four years. In this time we have done very well, fullfilling our goals and purposes. This year we have had a small group but they have worked well together sharing responsibilities and rewards.

On April 29, 1956 Isabel Dykeman was elected Vice-President of the State Chapter of F.H.A. She will serve this office until April 29, 1957. We would like to say that Pennell Institute is very proud of her and her achievements.

SENIOR PLAY

Mr. Skillings puts the finishing touches on Connie Libby.

A moment of despair and trouble includes: I. Dykeman, T. Neal, A. Caswell, P. Morrison, N. Burnel, R. Mains.

On October 24 and 25 the Senior Class presented their annual Senior Play, a comedy in three acts known as "Professor, How Could You!"

The chief character in the play was the Professor, around which the action of the play revolves. The whole theme of the play is the selection of a wife for the Professor, who is not entirely of the mind that he wants a wife. When several of his friends decide to take matters into their own hands, things became pretty complicated.

Situations have a way of working themselves out, however; in spite of all the difficulties, the play has a happy ending.

The Seniors owe the success of their play to Mrs. June Freeman Long, for her generous contribution of time and energy in directing the play.

A moment of Romance includes: P. Mo. ison, and C. Libby.

PENNELL'S BELL AND TOWER

The big bell in the High School tower can be heard on the hour, giving off its loud peal all over the town of Gray. In the past years the bell tower has always been a challenge to boys and girls alike. Many of the students who have graduated from Pennell Institute have left their signatures on the walls of the clock room and also the bell itself. Many stories have been told about the antics that have gone on in the tower both in school hours and out. We thought a view of these walls and the bell would bring back many fond memories to the past graduates.

FRIDAY, MAY 31st, 1889.

PENNELL'S BEGINNING

For years the town of Gray had needed a high school, since there was no school in it with teaching above the early grades, and any further education had to be obtained out of town. A good many boys and girls went to Greely Institute in the neighboring town of Cumberland. But in the spring of 1886 word was passed around that a high school to be named Pennell Institute was to be opened in the fall. That announcement aroused much interest and excitement

The building proceeded very slowly; I never knew why. On September 7, 1886, The Large doors were opened wide and the enormous bell welcomed a large number to Pennell Institute, which on that day became a permanent institution of the town of Gray.

It's donor, Henry Pennell, had been a life long resident of the town of Gray. Perhaps because he had an early life of poverty, he had made the saving of money his life long interest. He had accumulated a large amount of it. Many stories were told of his "closeness" as it was called, some of which were true, as the one where he split a match to light his pipe, and the one of the time when he returned The paper bag containing crackers, and took another cracker in exchange But money was what he was after, and about which he never lost his presence of mind. Money he accumulated, buying up real estate and rich farms in neighboring areas, loaning money at a high rate of interest-never less than 10 per cent, and buying more and more real estate and loaning more and more money. He was entirely uneducated, signing his business transactions with an X instead of signing his own name. One day when he was nearing old age, a neighbor said to him, "Henry, you were born in this town, you married Aunt Mary, (his wife was always known as Aunt Mary, a lovely old lady and was much beloved in the village) you have made much of your money right here. Why won't you do something handsome for the town of Gray where you will live the rest of your life? We need a high school building in the town. Build a good high school, Henry, one that will stand long after you die and name it Pennell Institute." "Well," replied Henry (influenced perhaps by the proposed name) "Baggerit all, I don't know but what I will." What the word 'Baggerit all' meant no one knew. So far as I know he never was profane "I will start it the year before I die," he said. "How can you know when you will die?" asked the neighbor, and for once his power for reckoning failed him and he said, "I'll start it tomorrow," and so he did. It was built after the fashion of the day with one large and several small classrooms on the first floor and a large hall on the second, for class meetings, dedications and sometimes large town meetings.

There were five members to graduate in that first class, four girls and one boy. The principal was a native of Gray, a graduate of Bates College, but from ill health quite unfitted for the position of principal. He taught very few classes. The school was fortunate in its assistant leader, Miss Emma Bickford, a graduate of Bates College. In our Latin classes we read six books of Caesar, six orations of Cicero, and six books of Aeneid. Several days a week we had English literature - so called, some of the famous English poems were read and sometimes were required to be memorized. Rhetoric came once a week. Once a month there was an afternoon of speaking pieces in the large upstairs hall There was no instruction in music or art as there is today. At the end of three years graduation was the occasion of town wide interest, as it was the first from the new school. It was held in the beautiful old Congregational church where the modern one stands today. The graduation was held on May 31, 1889, a beautiful, sunny, spring day. For an inexplainable reason there was a custom at the time on special occasions held in the church to use artificial lighting in the daytime instead of the sunshine and out-of-doors light. It seems strange now to me that we did not object to such a foolish custom. The church was filled and it was a day to be remembered by the school and the town alike as the first graduation from the new school. My father, the pastor of the church, conducted the opening exercises of the day with a short reading from the Bible followed by a prayer and the graduation exercises. The exercises in the afternoon were held in the hall of Pennell Institute. The dedication of the building, a presentation of a portrait of its donor and speeches by several of the town's people were witnessed.
